This is a 2016 Cavco park model in Sunrise RV Resort. It features a very spacious shed that is fully insulated and hooked up to water and electric for the washer/dryer unit. This is a one-bedroom home with lots of storage both in the closet along with the overhead loft storage area. It has a full bathroom with a sliding door shower. The house comes fully furnished along with patio furniture and items in the shed. The highlight of this model is the location. It is right on the greenway and is neighboring all the park amenities.
