Status: Pending

Bd/Ba: 3

Sq. Ft: 1,560 Square Feet

This 1,560 sqft home was built in 2007, and has three beds & two baths. Brand new \$21,000 kitchen cabinets and solid surface countertop makeover completed in May 2023. In addition, kitchen also has all new stainless steel appliances. It also had a 30 year roof put on in September 2018 and heating and air-conditioning replaced in 2014. It had a new water softener installed January 2023. It has sunshades on the exterior windows and privacy shades on the back patio and front porch. It has a large covered carport with a 10 x 17 storage shed, designed to fit a golf cart with plenty of workspace to spare.
